

Welcome to Chadwick Beach

The house address is **64 Beach Way**.

Listed below are a few things that we thought you should know.....

>**Badges** must be worn on the beach at all times during the summer season. They are available for purchase at the beach booth. Lifeguards are on duty from 9AM – 6PM daily.

>**Trash collection** is Monday & Thursday, with recycling collection on Monday. Recycling and trash containers are available by the back fence.

>Please keep ALL windows locked and doors tightly closed when the **A/C** is on. To turn on the A/C, set the thermostats in the living room and 2nd floor hallway to cool. Most days, the house stays cool without the need of A/C. Just open the windows to let in the ocean breeze and turn on the fans for extra air circulation. The attic fan turns on automatically when the attic gets hot. **Lock the doors when you are at the beach!**

>We have an **on-demand hot water system** so it takes about 30 – 45 seconds for the water to get hot when you first start the shower. Turn the water all the way to hot and then adjust the temperature.

>Please keep the water to the **clothes washer** turned off when the washer is not in use. Do not wash more than five (5) towels at a time. The washer can't handle the heavy weight of too many towels and the motor will burn out.

>There is absolutely **NO SMOKING** in the house or on the upstairs balcony. If you or your guests do smoke, please smoke outside. And, please be sure to dispose of your butts in the trash. If you smoke on the beach, please get a butt can from the badge office.

>There are **train stations** in Point Pleasant and Bay Head, in case any wants to travel by rail to come visit you.

>You can buy incidental **groceries** at LaSolas Deli, WAWA or Check-Rite grocery (Route 35 North in Silver Beach) but the major grocery stores are:
Shop Rite – Route 35 South just north of Brielle
Shop Rite – Route 9 in Lakewood
A&P - Ortley Beach
Stop & Shop – Route 37 South in Toms River
The **Ocean County Mall** is located off Route 37 North (Hopper Ave.), past Toms River. There's a movie theater there too.

>There are **beach chairs**, etc. in the shed for your use.

>We do not charge extra for a **cleaning** service. Please leave the house clean and tidy. Before you leave, please make sure...

1. all lights and fans are turned off
2. all windows are closed and locked (the bathroom and kitchen windows may be left open a crack at the top.
3. the shed is locked
4. the doors are locked; the front screen door is latched closed

We hope that you enjoy your vacation! Elaine & Arlene, Sisters and co-owners
